

WELCOME to Kindergarten!

Hello!

This is an exciting time for your child, although he/she may be a little apprehensive about going to a "real" school. This is also a time of mixed emotions for parents-- joy that your child is ready for school, but sadness because he/she is no longer a "baby"! The first day of school will mark one of the most important milestones in your child's life.

Be assured that I will do my best to make this school year an enjoyable time for your child, but also a time filled with real learning. The **skills** we practice daily in kindergarten are the **building blocks** for your child's future success in school and in life!

I would like to take this time to introduce myself. My name is **Stacey Craig**. I am beginning my 8th year **teaching**. I have three wonderful children. Shelbi is 18 and is in her 1st year at Baptist majoring in sonography. Wyatt is 11 and is in the 6th grade at CMS. And Tanner, he is 9 and is in the 4th grade here at CES.

I look forward to meeting you at **Parent Orientation**. We will discuss more details then. If you have already purchased your child's **supplies**, please bring them with you when you come to Orientation. If you have any questions/concerns, you can reach me via e-mail at scraig@tipton-county.com (before school begins) or 840-9300 once school starts.

Looking forward to a GREAT YEAR!

Stacey Craig
